

## SAE Auckland COVID Safety Protocols Under **ORANGE** Traffic Light

As at 14 April 2022

**ORANGE**

### Vaccination Status

- All staff, students, and visitors can be on campus regardless of vaccination status

### Contract Tracing

- Contract tracing is no longer compulsory. However staff, students and visitors are encouraged to scan the COVID QR Code, or manually sign in daily, upon arrival to keep track of where they have been

### On campus health and safety measures

- Medical-grade masks (eg N95) continue to be compulsory while on campus.
- 1 metre physical distancing is encouraged
- Please wash your hands regularly

### Gatherings and events

- No capacity limit for indoor or outdoor events

### Studios and equipment

- 10 and 18 Heather Street are open Monday to Sunday, 8am-10pm
- Medical-grade masks must be worn at all times, including while in the studios
- Masks can be briefly removed by vocalist/actor for recording or filming purposes only. All other people must remain masked at all times.
- *For Screen Students:* Equipment is allowed to be removed from campus

### Hygiene and cleaning

- Mobile air filtration systems should be used within the studio environments in addition to the in-built ventilation systems
- Where possible, doors and windows should remain open to encourage airflow
- Hand sanitisers and cleaning equipment is provided to wipe down studio surfaces/equipment before and after use
- Professional Cleaners will be onsite regularly to disinfect commonly touched surfaces

**\*\*\* Anyone found breaking any of these rules will be asked to go home immediately \*\*\***
